Enforcement

Library staff and librarians will implement these rules. Unlawful activities will be reported to campus security immediately. People who violate rules will be asked to stop such actions. If the behavior continues, they will be directed to leave the library for the day. Refusal to leave when properly directed

may result in arrest for trespassing. Subsequent offenses will result in the individual being barred from the Library.

This policy cannot begin to cover all behavior that is "disruptive or impinges on the use of the library by other patrons." In these matters, what is determined to be "disruptive" or "impinges on the use" will be at the discretion of library staff and librarians.
